

**SYI Wellness Therapies
Clients & Guests
*WELCOME!***

**Our Wellness Therapists & Bodyworkers have reopened for
business and are currently seeing clients!**

FYI:

SYI regular public Yoga Classes have not yet restarted, so space is in light use.
All regularly used surfaces & handles are wiped down in between sessions.

WE ASK CLIENTS & GUESTS FOLLOW THESE GUIDELINES:

1. If not feeling well, please re-schedule appointment when you are all well!
2. Please use hand sanitizer when you walk in the door & before departure.
A dispenser is available at the bottom of the stairs and on the counter upstairs.
3. While public Yoga classes are not yet held in the space, please be spatially aware if there is a client seeing another practitioner.
4. While in the space, touch as few things as possible.
5. Masks are required coming into the space and to the bodywork room. Clarify with your practitioner about their [mask policy](#).
6. Communicate your concerns and needs!

THANK YOU FOR YOUR CONSIDERATION & BE WELL!
